The authors have been made aware of an error in Figure 2 and 3 and legend of Figure 3 at the “Materials and methods” section. Figure 2 and 3 have been modified as the new one, and the legend of Figure 3 should be “Increasing number of publications on maize GWAS since the release of the B73 reference genome. The y-axis is the years of publication, and x-axis is the number of publications. All the publications are searched

from the NCBI PubMed, using the terms “maize” and “genome-wide association study”. (Xiao Y, Liu H, Wu L, Warburton M, Yan J. Genome-wide Association Studies in Maize: Praise and Stargaze. *Mol Plant*. 2017 Mar 6; 10 (3):359–374. <https://doi.org/10.1016/j.molp.2016.12.008>. Epub 2016 Dec 27.)”.
